**Salmon Defense has revamped the sponsorship opportunities by adding more teams to various sponsorship packages as well as new sponsorship levels. We are also limiting the amount of teams from 46 to 40 entered into the tournament to maintain a fun and competitive pace of play. Due to the limit of teams we will not be able to offer double sponsorship packages like we have in the past. Please sign up fast and confirm your sponsorship, so you don't miss your opportunity to participate in one of the most fun fastest-growing golf tournaments in the Pacific Northwest!**
